## Personal profile

I am a culturally adaptable and open-minded individual. I have traveled extensively throughout the world giving me a broader understanding and respect for other cultures. I like recreational combat in many different forms, and aim to deliver experiences along this line in an impactful and accessible manner.

## Education

*BA Game development: Design* at Falmouth University

2019 - 2022

## Skills

- Unity game engine
- Agile Development
- Fluent in English, Spanish and Catalan
- Excel
- Vector art
- Management and organisation
- C#
- Communication
- Audacity

## Work experience

- Chef at Hubbox *October 2021 - present*
- Chef at The Royal Standard *June 2021 - August 2021*
- Customer Service for FarePilot. *February 2019 - June 2019*
- Customer Service and UI/UX Design assistant at an internship at FarePilot. *December 2018 - February 2019*

## Activities and interests

I am an avid Mixed Martial Arts practitioner and passionate home cook.

When it comes to games, I gravitate towards competitive multiplayer ones; though I deeply appreciate Outer Wilds and enjoy a wider variety of games too.
